## **Four Seasons in Barton Art Competition 2012**

The Barton upon Humber Civic Society will be publishing a 2013 calendar and is asking for the support of each of the town's primary schools.

The calendar will include drawings done by local children featuring scenes of Barton throughout the year. Four winning drawings from each school showing the town in spring, summer, autumn and winter will be selected. As well as appearing in the calendar the winners will receive a prize of art materials.

The pictures should be in colour so that they can be easily reproduced. Each picture should have with it: a title and the month or season it represents; and the child's name, age and contact details (which can be the child's school if the entry is being submitted as part of a school's entry). Please keep this information clear of the picture to assist us with copying the twelve winning entries. The attached form may be helpful to parents submitting their own child's individual entry.

The closing date is Friday 29<sup>th</sup> June. Winners will be notified shortly afterwards and invited to receive their prize at the Civic Society's Annual general Meeting on the 20th July at the Assembly Rooms. For more details please telephone 01652 635172 or visit the Civic Society's website [www.bartoncivicsociety.co.uk](http://www.bartoncivicsociety.co.uk).
